LCMC Health currently manages award-winning hospitals including Children's Hospital New Orleans, Touro, New Orleans East Hospital, University Medical Center New Orleans and West Jefferson Medical Center.

Algiers Auditorium is the one of the newest business expansion project located in Historic Old Algiers inside Federal City. Managed by serial entrepreneurial Kyle Winkler, the Algiers Auditorium represents his family's 5th project in the New Orleans Region. The 10,000 square foot multi-purpose event venue comes equipped with modern sound and lighting systems, built-in stage and flexible seating plans that can be configured to accommodate events to support up to 400 guests.

Cube Smart opened its 103,000 Square Foot facility in Algiers in May. Cube Smart is a self-administered and self-managed real estate company focused on the ownership, operation, acquisition and development of self-storage facilities in the United States. To date, they own and manage nearly 700 locations across the United States.

Paul Habans Charter School is one of several charter schools under the umbrella of Crescent City Charter Schools. The new 106,000 square foot facility sits on 5 acres and is home to 94 staff members and 635 students ranging from Pre-K to 8th Grade. The campus opened in June and includes a state of the art dance studio, science lab and computer lab.
